## Hope Middle School Annual Education Report

January 2024

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2022-23 educational progress for Hope Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Principal Anthony Foster for assistance.

The AER is available for you to review electronically by visiting the following website [https://www.mischooldata.org/annual-education-report-1?Common\\_Locations=1-S,8207,1227,85](https://www.mischooldata.org/annual-education-report-1?Common_Locations=1-S,8207,1227,85) or you may review a copy in the main office at your child's school.

For the 2023-24 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2022-23. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2022-23. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2022-23. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school HAS NOT BEEN GIVEN ONE OF THESE LABELS.

At Hope Middle School, our gap between our Top and Bottom 30% has emerged as an area of focus according to our data in English Language Arts (ELA) and Mathematics. Student assessment data drives instruction along with identifying students who need additional support in tier two or tier three. One of our main goals is to diligently focus on the needs of the "whole" child at Hope. Social-emotional learning has been in full effect with programming such as Conscious Discipline, weekly Social-Emotional Learning modules, daily morning meetings across the board, and restorative practices programming lead by our Restorative Justice Facilitator. We continue to stress school wide strategies such as personalized greetings at the door by staff, community building morning meetings in each classroom, calm corners in each classroom, and recorded Principal & student lead morning announcements.

*5780 W. Holt Road ~ Holt, Michigan 48842*

PBIS continues to be a building focus with teaching components that staff cover regularly in morning meetings and throughout the school day. Hope works consistently with its staff and building schedule to try and meet the needs of all students.

State law requires that we also report additional information.

All students are assigned to schools based on a physical address within neighborhoods. Holt Public Schools (HPS) follow State and County guidelines for accepting and assigning in-district and out-of-district school of choice students.

Our district as well as every school in our district has an active Improvement Plan with goals extending three years into the future.

Holt Public School's Curriculum is driven by the State of Michigan curriculum standards and the National Common Core Curriculum. Access to our curriculum may be found on the district website, following the curriculum link. Additionally, curriculum maps are available in each building and widely distributed at school open houses.

We hope you take a few minutes to review this Annual Education Report and see what is happening at Hope Middle School. Thank you to our entire school community for your continued support.

Sincerely,

Anthony Foster, Principal  
Hope Middle School
