

School Annual Education Report (AER) Holt Senior High School

January 2025

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2023-24 educational progress for Holt Senior High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Principal Michael Willard for assistance.

The AER is available for you to review electronically by visiting the following website https://www.mischooldata.org/annual-education-report-1?Common_Locations=1-S.8154.1227.85 or you may review a copy in the main office at your child's school.

For the 2024-25 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA).

Our school was removed as a Targeted Support and Improvement (TSI) building after making progress in some of the categories measured by the State of Michigan.

At Holt High School, our math proficiency levels continue to be an area of focus according to our SAT, MSTEP, and local data. According to our data, we need to specifically focus on our Special Education and African American students in this content area. As a school we are focusing on Equity in our curriculum, Culturally Responsive Teaching, and Restorative Practice. We have aligned our whole group professional development to focus on Culturally Responsive Pedagogy as high yield instructional strategies that support our consistently underperforming student populations. As a school we are doing a book study on "Culturally Responsive Teaching & The Brain. Our focus will be to understand how our interactions, expectations, and instructional strategies impact the success of our BIPOC and Special Education students.

During Department PD time, we are focused on aligning our curriculum with common expectations and activities that allow students to show mastery. Each department is using an Understanding by Design framework to align curriculum and classroom expectations for all students. A move towards Learning Progressions will allow us to further identify areas that students struggle with and provide them feedback on areas of focus. Departments begin work on auditing alignment of proficiency in our final exams and will start the process of ensuring that the final exams measure the proficiency we expect from students at the end of a course. State law requires that we also report additional information.

State law requires that we also report additional information.

All students are assigned to schools based on a physical address within neighborhoods. Holt Public Schools (HPS) follow State and County guidelines for accepting and assigning in-district and out-of-district school of choice students.

Our district as well as every school in our district has an active Improvement Plan with goals extending three years into the future.

Holt Public School's Curriculum is driven by the State of Michigan curriculum standards and the National Common Core Curriculum. Access to our curriculum may be found on the district website, following the curriculum link. Additionally, curriculum maps are available in each building and widely distributed at school open houses.

We hope you take a few minutes to review this Annual Education Report and see what is happening at Holt Senior High School. Thank you to our entire school community for your continued support.

Sincerely,

Michael Willard, Principal
Holt Senior High School

NAEP Participation Data

Grade	Subject	Participation Rate for Students with Disabilities Excluding Students with 504 Plans	Standard Error	Participation Rate for Limited English Proficient Students	Standard Error
4	Math	80.7	4.04	95.0	2.55
		83.5	3.27	94	2.37
8	Math	86.9	1.98	95.0	2.21
		89.3	2.33	95.7	1.91

The National Assessment of Educational Progress (NAEP) is periodically administered by the U.S. Department of Education based on assessments administered to samples of students in each state. Federal regulations require the display of state level NAEP data on the Annual Education Report. These data represent the performance of the most recent sample of Michigan students on the NAEP.
