

School Annual Education Report (AER) Dimondale Elementary School

January 2025

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2023-24 educational progress for Dimondale Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Principal, Shannon Barker for assistance.

The AER is available for you to review electronically by visiting the following website https://www.mischooldata.org/annual-education-report-1?Common_Locations=1-S.6898.1227.85 or you may review a copy in the main office at your child's school.

For the 2024-25 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2023-24. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, or failed to exit ATS status in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school HAS NOT been given one of these labels.

Dimondale Elementary academically tests all students. Reading fluency, math, social-emotional skills, and attendance have emerged as areas of focus according to our student data. We are working to provide more opportunities for children to acquire the skills they are lacking in these areas. Dimondale currently has 1.5 interventionists to support at-risk students and 4th and 5th grade students are receiving math intervention from an outside company, Tutored by Teachers. Due to the high number of students receiving special education services an additional special education teacher was hired providing students 2 full time special education teachers. A variety of intervention groups are established to target the lagging skills. Intervention groups are provided daily by classroom teachers, special education teachers and interventionists, for students that show a need. The intervention groups are for Tier II and Tier III students. All children are receiving face-to-face core instruction with a focus on priority standards.

The instruction includes our core math program (Go Math), supplemental math program Imagine Math and Tutored by Teachers. The core literacy programs Reading Street (K-5), Wit & Wisdom (K-2) and Core 95 Phonics and University of Florida Literacy Institute (UFLI) as supplemental programs. The district is phasing out Reading Street and Wit & Wisdom was purchased this year for all K-2 students. Core 95 Phonics is building wide.

The supplemental program Imagine Math is used by 3rd, 4th, and 5th graders and Tutored by Teachers is targeting 4th and 5th grade students. Dimondale interventionists and resource teachers use UFLI. For social-emotional skill support, our teachers have been trained to implement the Michigan Model for Health Curriculum. The Dean of Students is conducting all social and emotional lessons from our district adopted Michigan Health Model program. Our staff, in collaboration with a comprehensive school health coordinator, have targeted Michigan Model lessons specific to strengthening their social-emotional skills. The district and Dimondale have implemented the Trails program for groups of Tier II students. This program is taught by the building social worker. In addition, the building social worker meets with students to provide extra SEL support using 2nd STEP. The district and Dimondale staff have implemented a Conscious Discipline model for all K-6 students to better understand and support the variety of lagging social-emotional skills. For attendance support, all classrooms have a student data tracking and monitoring system to assist with growing the students' awareness of the importance of being at school on a consistent basis. The district attendance procedures are implemented and students that are exhibiting truancy are being reported. Dimondale works consistently with its staff and building schedule to try and meet the needs of all students.

State law requires that we also report additional information.

All students are assigned to schools based on a physical address within neighborhoods. Holt Public Schools (HPS) follow State and County guidelines for accepting and assigning in-district and out-of-district school of choice students.

Our district as well as every school in our district has an active Improvement Plan with goals extending three years into the future.

Holt Public School's Curriculum is driven by the State of Michigan curriculum standards and the National Common Core Curriculum. Access to our curriculum may be found on the district website, following the curriculum link. Additionally, curriculum maps are available in each building and widely distributed at school open houses.

We hope you take a few minutes to review this Annual Education Report and see what is happening at Dimondale Elementary School. Thank you to our entire school community for your continued support.

Sincerely,

Shannon Barker, Principal
Dimondale Elementary School

NAEP Participation Data

Grade	Subject	Participation Rate for Students with Disabilities Excluding Students with 504 Plans	Standard Error	Participation Rate for Limited English Proficient Students	Standard Error
4	Math	80.7	4.04	95.0	2.55
		83.5	3.27	94	2.37
8	Math	86.9	1.98	95.0	2.21
		89.3	2.33	95.7	1.91

The National Assessment of Educational Progress (NAEP) is periodically administered by the U.S. Department of Education based on assessments administered to samples of students in each state. Federal regulations require the display of state level NAEP data on the Annual Education Report. These data represent the performance of the most recent sample of Michigan students on the NAEP.
