

School Annual Education Report (AER) Wilcox Elementary School

January 2025

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2023-24 educational progress for Wilcox Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Principal Traci Heuhs for assistance.

The AER is available for you to review electronically by visiting the following website https://www.mischooldata.org/annual-education-report-1?Common_Locations=1-S.12186,1227,85 or you may review a copy in the main office at your child's school.

For the 2024-25 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2023-24. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, or failed to exit ATS status in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school HAS NOT been given one of these labels.

At Wilcox Elementary, all students participate in academic assessments to determine their strengths and instructional needs. Reading fluency, math, social-emotional skills, and attendance have emerged as areas of focus according to our student data. Students who require catch-up growth in addition to annual growth are identified. Through data analysis, we diagnose lagging skills and develop interventions to close achievement gaps. We are working to provide more opportunities for students to acquire the skills they are lacking in these areas. A variety of intervention groups are established to target lagging skills. This additional small group instruction is provided by classroom teachers, special teachers, interventionists, our social worker, and Dean of Students for students that show a need. The intervention groups are for Tier II and Tier III students.

All children receive face-to-face core instruction with a focus on the Common Core State Standards. The instruction includes our core math program (Go Math) and our core literacy programs (Reading Street, 95 Core Phonics). The core programs are building wide (K-4).

For social-emotional skill support, our Dean of Students and all Wilcox teachers have been trained to implement the Michigan Model for Health Curriculum. Our staff, in collaboration with a comprehensive school health coordinator, have targeted Michigan Model lessons specific to strengthening the social-emotional skills of our students. Our Social Worker and Dean of Students also provide Second Step intervention group lessons to identified students. Additionally, the Wilcox staff are working on implementing the district adopted Conscious Discipline model to better understand and support the variety of lagging social-emotional skills. For attendance support, the district attendance policy is implemented. Parent contacts are made, personal meetings with parents are set-up, and students that exhibit truancy are reported to IISD's truancy officer. Wilcox works consistently with its staff and building schedule to try and meet the needs of all students.

State law requires that we also report additional information.

All students are assigned to schools based on a physical address within neighborhoods. Holt Public Schools (HPS) follow State and County guidelines for accepting and assigning in-district and out-of-district school of choice students.

Our district as well as every school in our district has an active Improvement Plan with goals extending three years into the future.

Holt Public School's Curriculum is driven by the State of Michigan curriculum standards and the National Common Core Curriculum. Access to our curriculum may be found on the district website, following the curriculum link. Additionally, curriculum maps are available in each building and widely distributed at school open houses.

We hope you take a few minutes to review this Annual Education Report and see what is happening at Wilcox Elementary School. Thank you to our entire school community for your continued support.

Sincerely,

Traci Heuhs, Principal
Wilcox Elementary School
