## School Annual Education Report (AER) Hope Middle School

January 2025

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2023-24 educational progress for Hope Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Principal Anthony Foster for assistance.

The AER is available for you to review electronically by visiting the following website [https://www.mischooldata.org/annual-education-report-1?Common\\_Locations=1-S.8207,1227,85](https://www.mischooldata.org/annual-education-report-1?Common_Locations=1-S.8207,1227,85) or you may review a copy in the main office at your child's school.

For the 2024-25 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2023-24. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, or failed to exit ATS status in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school HAS NOT been given one of these labels.

Hope Middle School focus areas for the 23-24 school were English Language Arts (ELA) and Math, based upon the significant gap on student assessments between our Proficient and Not Proficient scores. Our first plan of action was to implement Data Days with staff to review student scores, effectively strategize and create a Tiered Level approach to support our students. The first Tier was teacher classroom instruction; teachers implemented useful formative assessments and summative assessments to drive instruction. The second Tier was small group instruction taking place in our classrooms. Our third-Tier approach was small group Reading and Math Intervention. We continue to view our mission as supporting the entire child, which means academically and emotionally.

To help better support the emotional needs of our students we created an individual mentoring intervention program where staff and the students themselves can make a referral to meet with the mentoring program weekly for support. Our Restorative Practices Program also introduced small group support for our Hope Students. Hope worked closely with the Ingham County ISD to review and update our PBIS system in our building to help support students being respectful, responsible and showing empathy.

State law requires that we also report additional information.

All students are assigned to schools based on a physical address within neighborhoods. Holt Public Schools (HPS) follow State and County guidelines for accepting and assigning in-district and out-of-district school of choice students.

Our district as well as every school in our district has an active Improvement Plan with goals extending three years into the future.

Holt Public School's Curriculum is driven by the State of Michigan curriculum standards and the National Common Core Curriculum. Access to our curriculum may be found on the district website, following the curriculum link. Additionally, curriculum maps are available in each building and widely distributed at school open houses.

We hope you take a few minutes to review this Annual Education Report and see what is happening at Hope Middle School. Thank you to our entire school community for your continued support.

Sincerely,

Anthony Foster, Principal  
Hope Middle School
