## School Annual Education Report (AER) Washington Woods Middle School

January 2025

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2023-24 educational progress for Washington Woods Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Principal Tanya Merritt for assistance.

The AER is available for you to review electronically by visiting the following website [https://www.mischooldata.org/annual-education-report-1?Common\\_Locations=1-S.11973.1227.85](https://www.mischooldata.org/annual-education-report-1?Common_Locations=1-S.11973.1227.85) or you may review a copy in the main office at your child's school.

For the 2024-25 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2023-24. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, or failed to exit ATS status in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school HAS NOT been given one of these labels.

Washington Woods experiences an increasing variety of students with intense emotional and academic needs. We emphasize inclusion into general education to the most extent possible. We are continuing to shift our focus from PBIS to include brain-based developmental theories of Conscious Discipline. We have also begun to organize our Tier 2 and Tier 3 behavioral interventions to better monitor how many students are receiving and benefitting from them, based on their needs. We include school skills and executive function interventions to support students, using restorative practices to help students learn conflict resolution skills.

On the academic side, we continue to seek key data components to monitor achievement. We guide instructional improvement through an MTSS model, focusing on Tier 1, Tier 2, and Tier 3 in the classroom. We are also paying attention to subgroups that have been identified as experiencing an achievement gap, which include our Special Education population.

State law requires that we also report additional information.

*5780 W. Holt Road ~ Holt, Michigan 48842*

All students are assigned to schools based on a physical address within neighborhoods. Holt Public Schools (HPS) follow State and County guidelines for accepting and assigning in-district and out-of-district school of choice students.

Our district as well as every school in our district has an active Improvement Plan with goals extending three years into the future.

Holt Public School's Curriculum is driven by the State of Michigan curriculum standards and the National Common Core Curriculum. Access to our curriculum may be found on the district website, following the curriculum link. Additionally, curriculum maps are available in each building and widely distributed at school open houses.

We hope you take a few minutes to review this Annual Education Report and see what is happening at Washington Woods Middle School. Thank you to our entire school community for your continued support.

Sincerely,

Tanya Merritt, Principal  
Washington Woods Middle School
