

School Annual Education Report (AER) Holt Junior High School

January 2025

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2023-24 educational progress for Holt Junior High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Principal Dominic Knighten for assistance.

The AER is available for you to review electronically by visiting the following website https://www.mischooldata.org/annual-education-report-1?Common_Locations=1-S.8152.1227.85 or you may review a copy in the main office at your child's school.

For the 2024-25 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2023-24. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state, had a graduation rate at or below 67%, or failed to exit ATS status in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has been given the Additional Targeted Support label.

At Holt Junior High School, our data shows low proficiency in ELA and Math for our BIPOC, Economically Disadvantaged, and Special Education students. Lack of growth, reflected through data points such as NWEA and proficiency on MSTEP, continues to place an emphasis on how we're better using the data in order to improve our supports. For example, we have resource room for students on caseload, as well as an after school help room for all students for ELA and Math, and Science. Our special education teachers are also pushing into English and math classrooms to support students. We're also providing math lab (8th grade students are rostered to this class) as a tier 2 support. We'll also be providing English and math support with a company called TutoredbyTeachers, which will also prepare students for MSTEP.

State law requires that we also report additional information.

All students are assigned to schools based on a physical address within neighborhoods. Holt Public Schools (HPS) follow State and County guidelines for accepting and assigning in-district and out-of-district school of choice students.

Our district as well as every school in our district has an active Improvement Plan with goals extending three years into the future.

Holt Public School's Curriculum is driven by the State of Michigan curriculum standards and the National Common Core Curriculum. Access to our curriculum may be found on the district website, following the curriculum link. Additionally, curriculum maps are available in each building and widely distributed at school open houses.

We hope you take a few minutes to review this Annual Education Report and see what is happening at Holt Junior High School. Thank you to our entire school community for your continued support.

Sincerely,

Dominic Knighten, Principal
Holt Junior High School
